

## **The British Grand Prix Silverstone 6 - 8 July 2007 Copse Paddock Terrace Restaurant**

Our Superbly located hospitality facilities are situated "trackside" on the inside of Copse Corner which is often incident packed being the first following the start of the race. This is now the only hospitality complex close to the start of the race. Your seats are situated in the private grandstand on the inside of Copse with views of the cars as they exit Copse Corner and accelerate down towards Becketts. The facilities are situated in the heart of the action and have centre transfer tickets so guests can enjoy being part of the elite.
